

Neighbors South Coalition Habitat For Humanity

2008 Volunteer Form

(Please keep this page)

Thank you for your interest in participating in the 2008 Neighbors South Habitat For Humanity build. On Saturday, June 20, we will start the build. The home will be located at 1902 S. 11th St. (corner of 11th and Center). Working on a Habitat build is a great experience. You get to help provide a quality, affordable home to a deserving family, you may learn some new skills to help you on your home projects and you will meet some great people. We can use all levels of skill. WE LOOK FORWARD TO SEEING YOU!

To sign up, we need to have you complete a few items for us:

- Please fill out the Volunteer Form on the next page by marking the days that you will participate. Please indicate the portion of the day you will work, i.e., morning (AM), afternoon (PM) or both.
- Please read and fill out a Habitat waiver form. Complete the blanks in the first several lines and sign in the "Volunteer" signature space at the end of the document. Also, Habitat requires a witness signature on the form. Finish by completing the address portion as well as the emergency contact information. The remainder is optional. Per Habitat For Humanity rules, we are not able to allow those under 18 to work.
- Please fill out a Wells Fargo waiver form. Please complete the entire form including a witness signature. Wells Fargo is a major financial contributor to this build.

Return the completed forms to your church representative or mail or e-mail to
